

ORDINANCE NO. 362

**AN ORDINANCE ADOPTING AND PROVIDING FOR DESIGN STANDARDS AND SPECIFICATIONS FOR PUBLIC IMPROVEMENTS AND LISTINGS OF APPROVED MATERIALS USED FOR PUBLIC IMPROVEMENTS WITHIN THE BOUNDARIES OF THE CITY OF VALLEY SPRINGS, SOUTH DAKOTA.**

BE IT ORDAINED by the City of Valley Springs, South Dakota:

That this Ordinance establishes design standards and specifications for public improvements and listings of approved materials used for public improvements within the boundaries of the City of Valley Springs, South Dakota and shall be added to the Zoning Ordinance of the City of Valley Springs, South Dakota as Sections 4.01.04 and 4.01.05, as follows:

**4.01.04 Design Standards and Specifications for Public Improvements.** The Planning Commission shall, from time to time, propose to the City, official design standards and standard specifications for public improvements within the boundaries of the City. These design standards and standard specifications shall set the minimum requirements for all public improvements within the boundaries of the City. A copy of the design standards and standard specifications shall be available to the public through the Zoning Administrator and Finance Officer. A copy of the design standards and standard specifications shall be provided to all persons requesting a building permit application.

**4.01.05 Listing of Approved Materials and Products used for Public Improvements.** The Planning Commission shall, from time to time, propose to the City, a list of approved materials and products to be used for public improvements within the boundaries of the City. The listed materials and products shall set the minimum requirements for all public improvements within the boundaries of the City. A copy of the list of materials and products shall be available to the public through the Zoning Administrator and Finance Officer. A copy of the list of materials and products shall be provided to all persons requesting a building permit application.

PASSED AND APPROVED this 20 day of Dec, 2022.
